Date – 02.04.2018

Dear Parent

Greetings for the Day !

The new session begins with a lot of enthusiasm and fervor. We extend a warm welcome to all the members of the Gurukul Family for the trust and confidence they have reposed in us. The all-round development of the students is the prime focus of Gurukul and every activity and competition is planned to encourage and nurture them.

The vibrant learning community provides students a wide range of experiences that results in an enriching academic session. With the global recognition of standing amongst the world's greatest brands and being ranked one of the best schools in the city, our academia is geared up to thrive further.

With promises big and resolutions bright, we look forward to watching our students get better every day. Let us move on hand in hand to see each Gurukulite blossoming and taking the baton of Gurukul culture to the world.
