Date – 02.07.2018

Dear Parent

Heartiest Greetings from Team Gurukul !

The month of June brought incredible moments of joy in the Gurukul Family with the phenomenal results of Class X and XII. Our buoyant student clan made us immensely proud and once again proved beyond doubts that 'hard work has no substitute and its fruits are always sweet'. With this, the benchmark for incessant progression and success has been set soaring high. Rejoicing the moment, we congratulate all our students and stakeholders whose unstinted support and persistence has made this success possible.

Learning at Gurukul, is a non-stop juncture and this is what brings a huge change in our children. After the refreshing summer break, the learning voyage is all set to scale new heights. In the month of July, with great pomp and show, we line up to host the **16th Appreciation Day** to acknowledge the outstanding efforts of meritorious students in scholastic and co-scholastic domains and our most awaited annual Inter - School Competition '**7th Synergy 2018**'.

An insightful amalgamation of activities, competitions and special assemblies will remain the highlights while the little torch bearers will chisel their skills and showcase their talent in curricular as well as co- curricular domains.

The activities for the month of July are mentioned below:
