'The Best Teachers Teach From The Heart, Not From the Book'

Dear Parent

Heartiest Greetings from Team Gurukul !

It has been rightly said that water is our finest treasure we possess for green and hydrating future. Hence, our champs celebrated the great success of '**Save Water week**'. They indulged themselves in many water saving activities to understand the importance of every single drop of water for each life. They have been sensitized through the heart touching videos, how precious 'blue gold' is. They also celebrated Independence Day with patriotic fervour and 'Friendship Day' with the warmth of love in the month of August.

The month of September along with pitter-patter rain brings a bouquet of activities and celebrations. Keeping learning as spotlight; we will experience serenity of Hindi through '**हिंदी सप्ताह**' and walk on the footsteps of '**Bapu**' through '**स्वच्छ भारत अभियान**'. An icing on the cake will be the 'Pyjama Party' for Pre-Nursery loaded with innocence and fun.

The activities for the month of September are mentioned below:

DATE	DAY	EVENTS
03.09.2018	Monday	Holiday on account of 'Janamashtmi'
04.09.2018	Tuesday	Special Assembly on Teachers' Day
