Dear Parent

Heartiest Greetings from Team Gurukul !

The years spent by a child in Pre-Primary are some of the most impressionable years of his/her life. The trailblazers of Pre-Primary welcomed September with a fun-filled string of activities and celebrations. They started the month with overwhelming special assembly on Teachers' day showcasing their admiration, love and respect for their teachers as well as enthusiastic celebration of National Sports Day. The month was culminated with special assembly on Janmashtami that was celebrated with devotion and joy.

The young minds can absorb immense information, especially when imparted in a free and positive atmosphere with playful pedagogies. Our little champions will welcome the month of October with experiential learning through activities in the mode of celebration and festivities. Reliving the dream of 'Father of Nation' our champs walk on his footstep through 'स्वच्छ भारत अभियान'. The children will enjoy watching 'Ramayana' movie and then dramatizing the same in their special assembly.
