

"The art of teaching is the art of assisting discovery"

Dear Parent

We firmly believe that the future of a nation is built in the classrooms. In the month of August, Gurukulites witnessed the fervour of patriotism and devotion wherein our budding learners celebrated the 'Independence Day' through a 'Special Assembly' by living the five core values of our school, R (Respect) H (Honesty) C (Compassion) F (Fairness) R (Responsibility).

The month of September will bring an alley of activities and celebrations with new zest & zeal. On the top of the menu is '**Fun On The Run**' followed by a heart-warming special assembly on '**Teachers Day**'. To rejoice the bond between grandparents and children, we will be celebrating '**Grandparents Day**' by refreshing sweet old memories and creating new ones.

Next on the palette will be '**Hindi Diwas**'; wherein children will enrich their vocabulary and enhance their Hindi speaking skills. The engaging and exciting month will culminate with the exclusive '**Virtual Educational visits of Pre-Primary**'.
